

Greeting Cards

What better way to show your appreciation than with a gift from a social enterprise organization?

Front

These cards give your valued recipients the opportunity to choose from five socially responsible gifts produced by Helping Hand Rewards' social enterprise partners. Each card includes a description including an explanation of who will benefit from the selection of that gift. A reply card is included for the recipient to make his or her gift selection and return for fulfillment. The cards allow for slight customization. There are two different levels of cards containing different gift options.

The Entertaining Kitchen Urban Escape- TEK provides work force development and support services to lower income women working toward self-sufficiency. Includes 6 for 1 multi of 6 scented soy candles, 4 oz bottle of shower gel, 4 oz bottle of organic body oil, soy candles, natural loofah scrub, and packet of bath tea. Choice of fragrance.

Mercado Global Strands of Progress Soho Mercado works with women's cooperatives across the world to help them create beautiful handmade products. Filmmakers of hand-dyed luminous glass beads create these exquisite pieces. Weaving Strands of Progress funds two months of a scholarship for a child in the community of Zapot.

Bright Endeavors Dreambean Families- Bright Endeavors is a job training program committed to helping homeless and at-risk young women gain the necessary skills to become self-sufficient adults. Includes: White Tea pillar candles and Lavender Teal, Rose Tea, Lemon Tea and Mandarin Spice scented assortment of Spa Candle Set.

WHD Women Cake with Jara- This organization offers education, employment and more to less fortunate women, victims of domestic violence and the developmentally disabled. Includes a 2 lb gourmet. Available in one of three flavors (Strawberry Orange Malt, Berry Cheesecake and Nut or Chocolate Berries) and 6 oz of medium roast coffee.

World of Good 14" Washer Bowl- World of Good creates economic opportunities and steady jobs for thousands of producers in the developing world. Artisans in Mumbai, India collect each individual morning from local repair shops, hand-selling each of the nearly 1,000 connection points to create this decorative bowl.

With sincere thanks and appreciation.

The gift you select will support a social enterprise, providing help to someone in need. Your choice becomes the gift of opportunity to another.
